

# KaiserSelect®

A new generation of products, delivering better value for what you buy every time.

New and enhanced **KaiserSelect®** products have been developed for:

- Aerospace
- General Engineering
- Defense Applications

**KAISER**  
**ALUMINUM**

## The Product

- Created by responding to individual customer's needs
- Assured through automated processing
- Verified by electronic output and recipe control

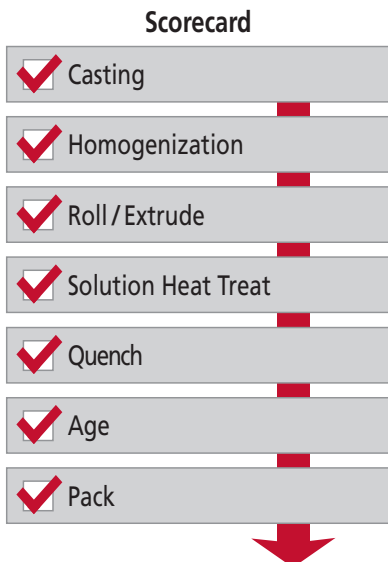

## The Evolution

- Five years of capital investment, training and customer confirmation
- Application of Lean and Six Sigma principles in the Kaiser Production System

## The Value

- Exceptional consistency across all measures
- Predictable set-up and performance
- Lower customer manufacturing costs

**The KaiserSelect® Production Process...**  
**A Unique, Multi-Aligned Manufacturing Approach**

**Key Input Variables are  
Tracked and Recorded  
with Electronic Output**

**KaiserSelect®**

***"KaiserSelect® is a highly engineered  
aluminum product for your most demanding  
machining applications and will be  
our mark in the marketplace."***

**– Jack Hockema**

*President, Chief Executive Officer and Chairman of the Board,  
Kaiser Aluminum Corporation*
